

Volunteer Instructions for Water Station 2

Do not check in at the Rose Bowl volunteer check in. Drive directly to your water station, park nearby, and check in at your water station.

Thank you for signing up to volunteer at the Rose Bowl Half Marathon & 5K! This event would not be possible without the support of our awesome volunteers.

When

You are signed up for one of the following shifts. Please review the e-mail you received to determine your exact shift.

<u>Shift</u>	<u>Date</u>	<u>Time</u>
G2 Sunday Water Station 2	Sun 01/15/23	5:30 AM - 10:00 AM

Please make sure to arrive 10 minutes before your scheduled shift. You will need time to park and walk to the water station location.

Your exact assignment may change depending on the needs of the race. Please be flexible!

Before Leaving

Wear comfortable clothing and closed-toed shoes. Upon checking in, we will give you a volunteer shirt to wear during your shift and to keep as a souvenir.

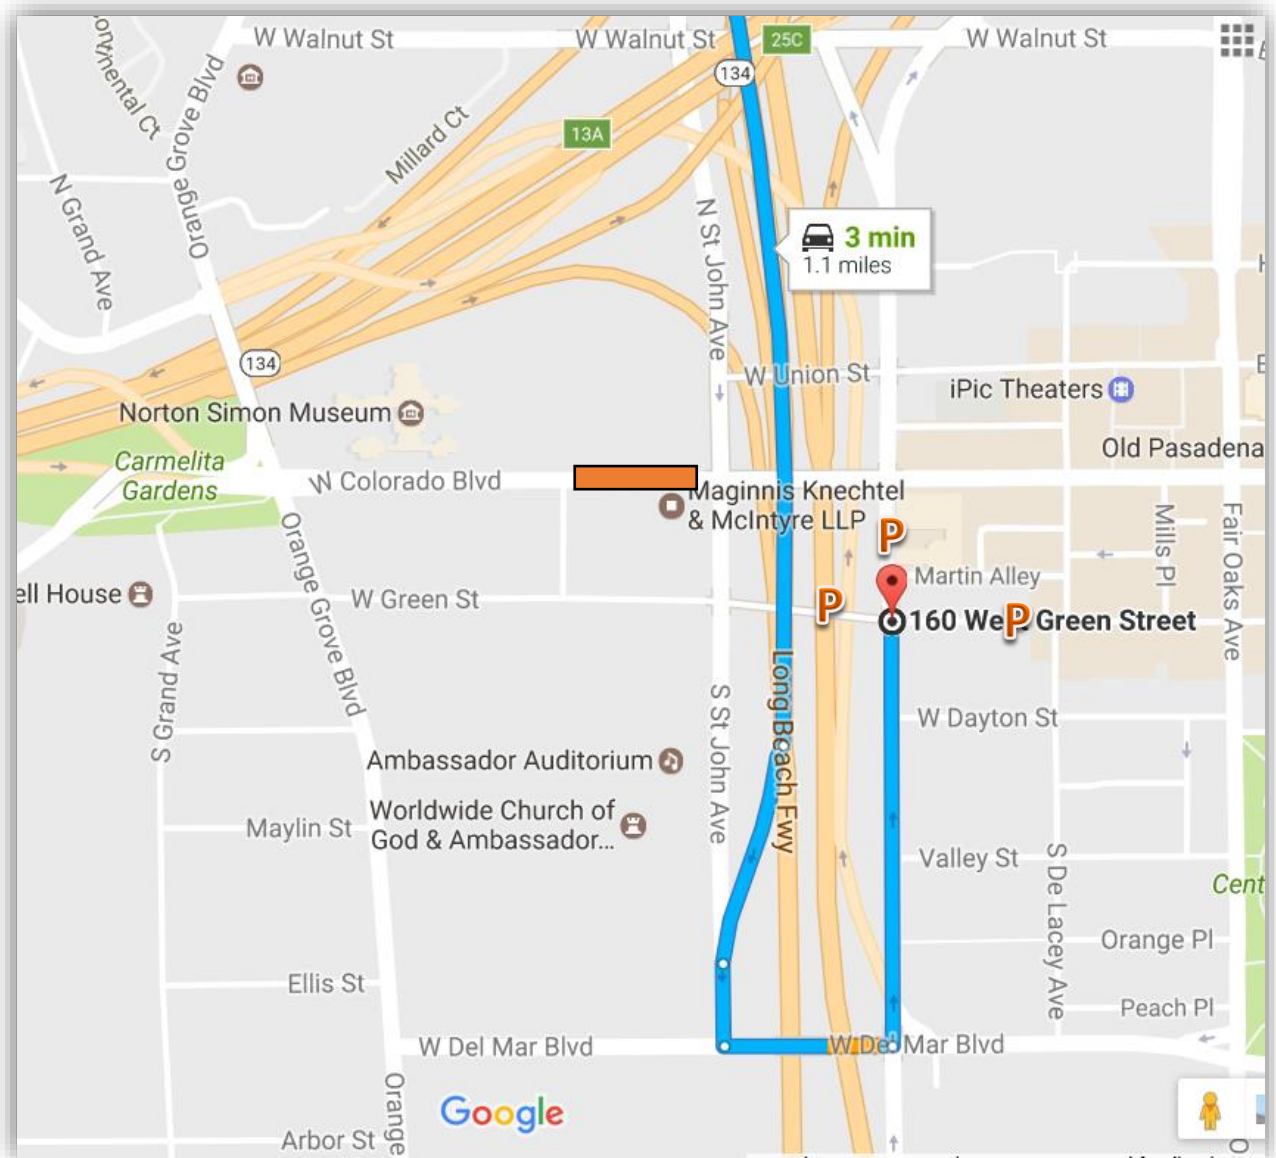

These shifts will take place outdoors. Volunteers are encouraged to bring jackets, sunscreen, and sunglasses in case the weather is warm or cold.

In case of poor weather, the race will go on as scheduled. Please make sure to attend your volunteer shift.

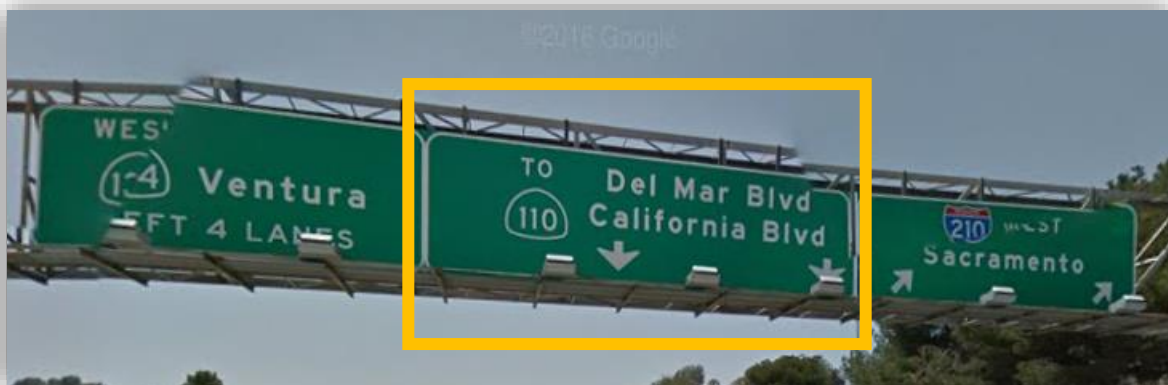

Parking

You can input the following address into your GPS or Google Maps to assist with reaching the water station area. Do not park here or knock on their door though: [300 W Colorado Blvd, Pasadena, CA 91105](https://www.google.com/maps/place/300+W+Colorado+Blvd,+Pasadena,+CA+91105)

There may be street closures in this area. We recommend that you use the following driving route:

- Do not use exits from the 134 freeway. There are road closures in this area.
- Follow signs for “To 110 Del Mar Blvd, California Blvd”

- Exit Del Mar Ave.

- Turn left on Del Mar Ave.
- Turn left on Pasadena Ave.

Be sure to print the parking pass that was sent in your volunteer instructions e-mail, and place it on the dashboard of your vehicle.

- This parking pass may help to get your vehicle through street closures if a street that you need to travel on to get to your water station has been closed in preparation for the race.
- This parking pass will allow you to park in areas with “2 hour parking” or “no overnight parking” signs for the duration of the race.

Please use street parking near your water station. Recommended parking areas are labeled with a “P” on maps in this document. Recommended side streets for this station are:

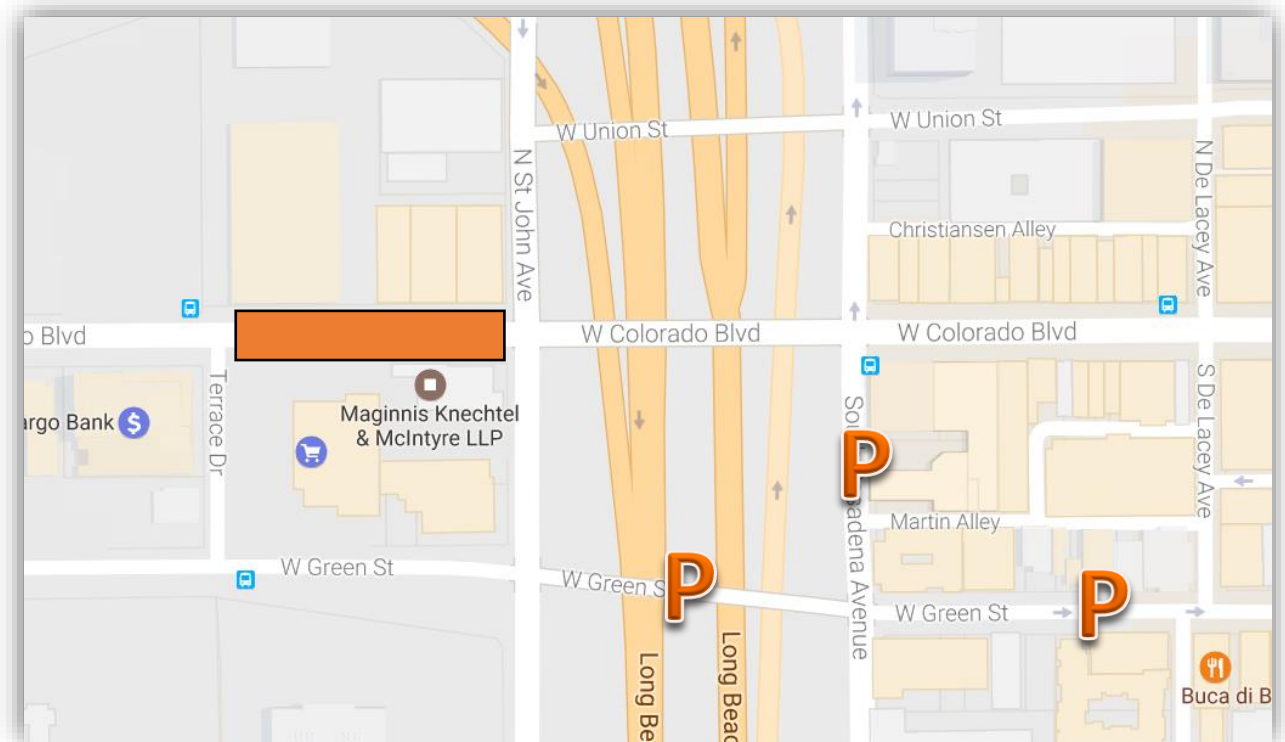

- Green St
- Pasadena Ave

Do not park on Colorado Blvd or Orange Grove Blvd. This street is part of our race course and is a tow away zone.

Please avoid parking in red zones and in private parking lots.

Where

After you have parked, please walk to the orange area on **Colorado Blvd** indicated on the map below. This is where the water station will be set up.

A box truck driven by the water station captain will arrive with the water station supplies. If the truck driver isn't there when you arrive, they will be there shortly.

If you cannot find the water station, or the truck driver does not arrive for a long time, feel free to call them and ask for directions and an update. Their contact information is below.

Food

We recommend that you eat something for breakfast before your shift. We will provide water and snacks in case you get hungry. Feel free to bring your own food and drinks as well.

Public Health

We have been closely monitoring the public health situation, and we are following all relevant local, state, and federal guidelines to ensure the safety of volunteers.

If you are feeling ill, or if you have tested positive for COVID-19 recently, we ask that you do not attend the event.

If you are uncomfortable with any of the above, for any reason, feel free to cancel your volunteer shift. We understand. Your health and safety must come first, always!

Contact Info

For questions before the race, please e-mail Tim Bradley at tim@mccourtfoundation.org

For questions on the day of your shift, please call Mitchell Liday (310.877.5449) or Tim Bradley (562-280-9010)

Thanks again for volunteering. We look forward to seeing you at the event!
